ADDITIONAL INSURED WRAP

This Endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE FORM
BUSINESSOWNERS LIABILITY COVERAGE FORM

With respect to coverage provided by this Endorsement, the provisions of the Coverage Form apply unless modified by this Endorsement.

Additional Insured provisions provided in this endorsement contain equivalent language to Insurance Services Office Endorsements CG 20 10 07 04 and CG 20 37 07 04. If a written contract or written agreement between you and the additional insured specifies that coverage for the additional insured form be provided by Endorsements CG 20 10 07 04 and/or CG 20 37 07 04, this endorsement shall be interpreted to comply with such requirement, but only to the extent that such coverage is included within the terms of the Coverage Part to which this endorsement is attached.

A. Additional Insured When Required By Written Construction Contract

1. Operations Performed For An Additional Insured

WHO IS AN INSURED is amended to include as an additional insured any person or organization for whom you are performing operations when you and such person or organization have agreed in a written contract or written agreement prior to a loss, that such person or organization be added as an additional insured on your policy. Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- a. Your acts or omissions; or
- b. The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations for the additional insured.

A person's or organization's status as an additional insured under this provision ends at the earlier of when your operations for that additional insured are completed, or the end of the policy period.

2. Limitations

The Operations Performed For An Additional Insured coverage is limited as follows:

- a. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - (2) Supervisory, inspection, architectural or engineering activities.
- b. This insurance does not apply to "bodily injury" or "property damage" occurring after:
 - (1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
- c. The Limits of Insurance applicable to the additional insured are those specified in the written contract or written agreement or in the Declarations for this policy, whichever is less. These Limits of Insurance are inclusive and not in addition to the Limits of Insurance shown in the Declarations. If other insurance available to you and written by us is applicable to this additional insured, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit under any one coverage form or policy providing coverage on either a primary or excess basis.

- d. This insurance does not apply if the person or organization required to be added as an additional insured is specifically named as an additional insured under any other provision of, or endorsement added to this policy.

B. Additional Insured When Required By Written Construction Contract – Completed Operations

1. Additional Insured – Completed Operations

WHO IS AN INSURED is amended to include as an additional insured any person or organization, when you and such person or organization have agreed in a written contract or written agreement prior to a loss, that such person or organization be added as an additional insured on your policy, but only with respect to "bodily injury" or "property damage" caused, in whole or in part, by "your work" performed for that additional insured and included in the "products-completed operations hazard".

2. Limitations

The Additional Insured – Completed Operations coverage is limited as follows:

- a. A person or organization's status as an insured under Additional Insured - Completed Operations continues only until the earlier of the end of the policy period, or the period of time required by the written contract or written agreement. If no time period is required by the written contract or written agreement, a person or organization's status as an additional insured under this endorsement will not apply beyond the lesser of the end of the policy period, or five years from the completion of "your work" on the project which is the subject of the written contract or written agreement.
- b. The insurance as provided to the additional insured does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of "your work" for which a consolidated (wrap-up) insurance program has been provided by the prime contractor-project manager or owner of the construction project in which you are involved.
- c. The Limits of Insurance applicable to the additional insured are those specified in the written contract or written agreement or in the Declarations for this policy, whichever is less. These Limits of Insurance are inclusive and not in addition to the Limits of Insurance shown in the Declarations. If other insurance available to you and written by us is applicable to this additional insured, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable limit under any one coverage form or policy providing coverage on either a primary or excess basis.
- d. The coverage provided to the additional insured by this endorsement and by paragraph 1. of the definition of "insured contract" under DEFINITIONS do not apply to "bodily injury" or "property damage" arising out of the "products-completed operations hazard" unless required by the written contract or written agreement.
- e. This insurance does not apply if the person or organization required to be added as an additional insured is specifically named as an additional insured under any other provision of, or endorsement added to this policy.

C. Primary And Noncontributory

As respects the coverage provided under this endorsement, the Other Insurance Condition is amended as follows:

The paragraph regarding Excess Insurance is deleted and replaced with the following:

Excess Insurance

This insurance is excess over any other insurance available to the additional insured whether primary, excess, contingent or on any other basis unless the written contract or written agreement described in A. and B. above specifically requires that this insurance be either primary or primary and noncontributory. Then this insurance is primary and not contributing with any insurance available to the additional insured which covers that person or organization as a named insured.

D. Waiver Of Transfer Of Rights Of Recovery Against Others To Us

As respects the coverage provided under this endorsement, the Transfer Of Rights Of Recovery Against Others To Us Condition is amended by adding the following:

We waive any right of recovery we may have to recover we make for all or part of any payment we have made under this Coverage Part arising out of "your work" under a written contract or written agreement.

requiring such waiver with that person or organization. However, our rights may only be waived prior to the "occurrence" for which we make payment under this Coverage Part. The insured must do nothing after a loss to impair our rights. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce those rights.

E. Amendment – Aggregate Limits Of Insurance (Per Project)

Under LIMITS OF INSURANCE shown on the Declarations, the General Aggregate Limit applies separately to each of your projects away from the premises owned by you or rented to you. This extension does not apply to the "products-completed operations hazard".

F. Additional Condition

The following condition is added:

Additional Insured Duty To Notify

The additional insured described in A. or B. above must give written notice of loss, including a demand for defense and indemnity, to any other insurer having coverage for the loss under its policies. Such notice must demand full coverage available and the additional insured shall not waive or limit such other available coverage.

This additional condition does not apply to the insurance available to the additional insured which covers that person or organization as a named insured.

All other terms and conditions of this policy not in conflict with the terms and conditions of this Endorsement shall continue to apply.

AUTO ADDITIONAL INSURED WRAP

This endorsement changes your policy. Please read it carefully.

This endorsement modifies insurance provided under the following:
BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. AUTOMATIC ADDITIONAL INSURED – PRIMARY AND NONCONTRIBUTORY
SECTION II – LIABILITY COVERAGE, subsection A, Coverage, paragraph 1, Who Is An Insured is amended to add:

d. (1) Automatic Additional Insured – Primary And Noncontributory

Any person or organization is an additional insured when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as additional insured on your policy. Such person or organization is an additional insured only with respect to liability for "bodily injury" or "property damage" resulting from the ownership, maintenance or use of a covered "auto", provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or by those acting on your behalf. This insurance is primary and is not contributing with any other insurance carried by the additional insured.

(2) Blanket Lessor Additional Insured Provisions

If the additional insured is a lessor of a "leased auto":

(a) Coverage

- i. Any "leased auto" that is a covered "auto" will be considered a covered "auto" you own and not a covered "auto" you hire or borrow.

For a covered "auto" that is a "leased auto" Who Is An Insured is changed to include as an "Insured" the lessor.

- ii. The coverages provided under this endorsement apply to any "leased auto" until the policy expiration date, or when the lessor or his or her agent takes possession of the "leased auto", whichever occurs first.

(b) Loss Payable Clause

- i. We will pay, as interest may appear, you and the lessor for "loss" to a "leased auto".
- ii. The insurance covers the interest of the lessor unless the "loss" results from fraudulent acts or omissions on your part.
- iii. If we make any payment to the lessor, we will obtain his or her rights against any other party.

(c) The lessor is not liable for payment of your premiums.

(d) Additional Definition

As used in this endorsement:

"Leased auto" means an "auto" leased or rented to you including any substitute, replacement or extra "auto" needed to meet seasonal or other needs, under a leasing or rental agreement that required you to provide direct primary insurance for the lessor.

B. WAIVER – TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

SECTION IV – BUSINESS AUTO CONDITIONS, subsection A. Loss Conditions, paragraph 5. Transfer Of Rights Of Recovery Against Others To Us is amended to add:

We waive any right of recovery we may have against any person or organization when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be waived from recovery because of payments we make for injury or damage arising out of an "accident" and resulting from the ownership, maintenance or use of a covered "auto". However, our rights may only be waived prior to the "accident" for which we make payment under this Coverage Part. The insured must do nothing after a loss to impair our rights.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

This agreement shall not operate directly or indirectly to benefit anyone not named in the Schedule.
