Residents are asked to be considerate of their neighbors with regards to barking dogs and loud vehicles during early and late hours of the day.

Pet Littering

Per Village Ordinance when walking a pet, owners must carry a receptacle or bag and properly dispose of animal waste.

From the Mayor...

Each year the Village Board considers how many dollars it should request from property taxpayers. This year the Village Board was able to approve its annual levy ordinance that taxes less money from property taxes than allowed by state law. In a number of recent years the Board has done this and in two recent years the Board froze its property taxes at the previous year amount.

This year's decision was possible due to your Village's sound financial condition. This condition is the result of years of operating spending control made possible by the implementation of operating efficiency and productivity initiatives over time. Some of these include the use of private contractors, intergovernmental agreements to reduce costs, relationships with local not-for-profits to provide selected services and ongoing operating evaluations seeking administrative and other cost savings.

One result of these initiatives has been an over 50% reduction in non-police officer full-time positions by attrition since 2003. Importantly the Village remains debt free so no property tax dollars are needed to meet borrowing costs.

The impact on property taxpayers has been an important consideration for the Board along with the need to provide vital public safety and other services our residents need and expect. The property tax dollars the Village receives are used primarily to pay for a portion of the costs to provide the community's police protection services, retirement costs for our police personnel and our limited other staff, and insurance. Balancing the desire to limit the impact on property taxpayers with resident and business service expectations can be a challenge. Specifically, as part of our deliberations on this question, the Board

considers the input it receives from taxpayers, the Village's overall financial condition (both current and forecasted for the upcoming years), the financial condition of the State of Illinois, and the anticipated costs for providing important municipal services including new unfunded mandates from the state. At the end of these deliberations the Board approves its annual property tax levy ordinance. This ordinance, passed in November/December of each year, impacts property tax bills taxpayers receive the following spring.

Only 4% to 5% of a typical property tax bill goes to the Village government. While the Village has been committed to limiting its share of property taxes, the reality is that the Village's decisions have only a small impact on overall property tax bills. Grayslake's other independent taxing districts, like schools, fire, park, etc., go through their own processes to determine their own annual individual tax levies. Their individual decisions impact your tax bill.

Over the year's the Village Board has made different decisions on the Village's annual property tax levy as circumstances change. Sometimes the level has been increased for inflation or to receive new dollars generated from new building construction in the Village. As a result, over the last 33 years the Village's tax rate has declined by 52%.

This year's property tax decision represents the Village Board's efforts to do what it can to control its portion of property tax bills for 2018.

Sincerely,

Rhett Taylor

Senior Center

The Grayslake Senior Center is a wonderful place for active independent adults 60 and over to meet new people and socialize. We offer a variety of activities: exercise, pokeno, Hatha yoga, Tai Chi, bingo, trivia games, crochet club and more. We have either a party with entertainment or a social most every month. We serve a congregate lunch Monday, Tuesday and Thursday at 11 am with the meal catered by Maravela's. The fitness room is available Monday through Friday from 8:30 am – 4:00 pm. Stop by for a tour or go to the Village website at www.villageofgrayslake.com to view our monthly newsletter. For more information, call 847-543-1041. Follow us on Facebook.

Grayslake Summer Farmers Market

The Grayslake Farmers Market happens every Wednesday from 3:00 p.m. to 7:00 p.m.

The Farmers Market features many local and regional vendors that offer goods such as vegetables, fruits, flowers, wines, breads, meats and cheeses, as well as various fine art and entertainment.

For more information on the Grayslake Farmers Market, including volunteer opportunities, special events and a list of vendors please visit www.grayslakefarmersmarket.com.

Friendly Reminder

A friendly reminder to all the joggers out there. Pursuant to the Illinois' Vehicle Code/Rules of the Road, joggers/walkers should use jogging paths and sidewalks when provided. When a sidewalk is not accessible on public roads, joggers/walkers should try to select wide roads with good shoulders. Joggers/walkers should face oncoming traffic and remember to look, listen and yield to all vehicles. At night or anytime visibility is poor, joggers/walkers should be in well-lit areas and wear reflective clothing. Remember these tips to help keep our community safe for both drivers and pedestrians.
