Nationwide Provider:

- Structured Cabling
- Video Surveillance
- Access Control
- Fiber Optics

Qualifications:

- All field work orders and/or change orders shall be executed prior to the performance of the work.
- All signatures of work orders and change orders acceptance will constitute acceptance of the outlined scope and confirm and guarantee payment in the amount as shown over and above the original accepted contract/proposal amount.
- All labor is figured at straight time. After hour labor requires after hour rates.
- Non-Standard shipping will be additional.
- Terms: Materials deposit is required upon acceptance, remainder NET 30 upon completion
- Installation of cores, communication poles, wall track, or conduit if needed is not included.
- Removal of existing cabling / hardware if requested will be billed at time and materials.
- This proposal expires in 30 days from date sent.
- Total includes all materials, transportation and labor.
- Figures based on all areas being free and clear of obstructions during time of installation.
- Once work commences, it will proceed uninterrupted until project completion. Delays caused by situations beyond CPS's control will result in renegotiation of the work schedule/pricing.
- Changes of scope or design may result in charges that are not incorporated into existing pricing, and will be billed separately if incurred, as well as the costs for travel and other incidentals.
- **CPS warrants all services for 90 days on labor and 1 year on parts from the date that the work is performed.**
- A site contact familiar with the installation will be available at all times to answer questions, open locked areas, and authorize changes throughout project.
- Figures do not include permits, bonds, material tax (if applicable) or fees if required unless stated above.

Total Project Investment: \$ 16,873.75

Thank you for the opportunity to work with you and your team. Please feel free to reach out to me if you have any questions.

Sincerely,

Ray Martin, RCDD
Account Executive
