

Local Purchasing Initiative

The Village of Grayslake, which purchases approximately \$7 million in products and services annually, prefers to purchase locally.

The Local Purchasing Initiative is designed to encourage local businesses to take advantage of this market.

Enrollment Information

- Complete the enclosed Local Purchasing enrollment form.

An online enrollment form is available at www.villageofgrayslake.com under the "Business" tab.

- Mail the completed enrollment form to:

Village of Grayslake
10 South Seymour Avenue
Grayslake, IL 60030

Participating businesses will be added to a local vendor database and contacted when bidding or purchasing products and services.

Purchasing Policies

The Village of Grayslake is governed by Illinois State Statutes and Local Ordinances regulating its purchases.

Contracts for products and services typically require competitive bids and/or price comparisons. Routine purchases are made through a standard bill payment system.

All payments are made in accordance with the Illinois Prompt Payment Act.
